HAPPY NEW YEAR!

I have very seldom been so happy to say goodbye to a single calendar year, but 2020 was a LONG year. As we have come through this holiday season, I cannot help but reflect on what a crazy year this has been. A lot of change has occurred in my personal life, and I know our church has experienced quite a bit of change as well. All of us have dealt with life shifting in the midst of this pandemic. All of us have felt the struggle of social distancing, of moving things online, of being apart from our families and loved ones, of isolation, and of fear. I have found myself going through moments when I felt as if there was no light at the end of the tunnel, but this Christmas season, the light began to shine again. It is amazing how Christmas does that! The season of Advent is always incredible as we prepare our hearts to receive the Christ child, and somewhere along the way hope is born again in our hearts.

One of the things I love most about Christmas is the music! It seems like for one month out of the year, most of us just have a different playlist running through our heads. We sing songs of hope, of joy, of celebration, and of wonder. This year John Lennon's "So This is Christmas" is a song that stood out more profoundly than it did in years past. One particular line in that song stuck in my head as I celebrate this holiday season. It goes like this, "A very merry Christmas, And a happy New Year, Let's hope it's a good one, Without any fears." If ever there were a year that I prayed these exact words it has to be this one. I know that the year 2021 will likely face its own fair share of troubles, but my fervent prayer is that it is filled with less fear, and more joy. I pray that it is filled with more hope, and less anxiety. I pray that it is filled with more blessings and peace, and less pandemics and shutdowns. I see the light at the end of the tunnel.

As people of faith, it is important for us to remember that God is with us during this season, and in all seasons. As we bring in the new year, it is important for us to remember that Jesus' birth and ministry are gifts given to us by God to help us in just such a season as this. In the book of Numbers 6:22-27 after the people of God experienced their exodus from Egypt the Lord spoke to Moses, saying: "Speak to Aaron and his sons, saying, Thus you shall bless the Israelites: You shall say to them,

Happy New Year, Cont'd. from Page 1

The LORD bless you and keep you; the LORD make his face to shine upon you, and be gracious to you; the LORD lift up his countenance upon you, and give you peace.

So they shall put my name on the Israelites, and I will bless them.” Today, we as Christians, who use the title of our Lord to describe ourselves, can take hope in the fact that the Lord is blessing and keeping us. His face is shining upon us, and God is being gracious to us. The Lord is looking at us and giving us peace.

This year let us be people who experience the peace of Christ in our lives. Let us see the blessings of the Lord. Let us not count our days by the worries and sorrows we carry, but instead count our days with the blessings and hope we see. This year we have a chance to get it right. We can put our fears aside and know that God is with us. A very merry Christmas and happy new year to all of you. Let's hope it is a good one without any fears.

DIRECTOR OF YOUTH MINISTRIES

The beginning of a new year is always a weird time for me. The new year is supposed to feel like something special, or at the very least, different from the 31st of December. Oftentimes it simply feels like just another day. In the previous year of 2020 life has not been the easiest. Many of us spend everyday trying to forget all 2020 brought and took away. As we begin 2021 let it be a year of new firsts for you. Allow the lessons of 2020 drive us to do more in 2021. Let us love more and hate less. Let us join together and serve those around us with a passion never seen before at EFUMC. Let us make up for the time lost in 2020 by giving more of our time to the Lord and serving others in 2021. Make it a personal challenge to give more, not just financially, but with your time and spiritual gifts in 2021. Let this be a year of New Beginnings. Set your goals high this year. Don't just set out to read the whole Bible, but set out to memorize 1 John. Make it a goal to teach a new Bible study at the church. Make it a goal to create a new ministry in our community for ways to serve

others. Find unique ways to make your spiritual goals more personal and intentional this year, and make them different than last year. 2021 has endless possibilities as it begins; let us not make the mistake where we squander the days away before they begin. Let us make like the ant in Proverbs 6, and serve the Lord with gladness, work for what we need, serve others whom we live life with. Let us, church, be the difference in 2021. This is going to be the best year ever.

In Christ,
PASTOR MATT

Pastor Billy's Notes

The Best Pathway for Your Life

In Proverbs chapter 3 there are at least ten road signs of warning to guide us through our lives.

- V.3- Never forget to be truthful and kind.
- V.5- Trust the Lord with all your heart.
- V. 6- Put God first.
- V. 7- Do not be conceited.
- V. 8- Turn your back on evil.
- V. 9- Honor the Lord by giving Him the first part of your income.
- V. 11- Do not resent correction. Stay teachable.
- V. 21,22- Have two life goals: Wisdom and common sense.
- V. 27- Pay your debts on time.
- V. 31- Do not envy violent men.

REV. BILLY LUTTRELL
Minister of Music

The promise of God is, “The wise are promoted to honor, but the fools are promoted to shame” (vs 35). The greatest place for a Christian to be is in the center of God’s will throughout their lives. As we begin a new year it is my prayer that each of us will live our lives by these ten rules. God made us and He knows all about each of us. He really is the best one to guide our lives. I pray in this new year that we all will be sensitive and obedient to God’s pathway for our lives.

Thanks to all of you for allowing Janis and me to serve Enterprise First United Methodist Church. This has indeed become home to us and you all have become our family. We want to express our love and gratitude to each of you and wish all of you an incredibly happy and prosperous new year.

“Sing”cerely
BILLY

Never Challenge Worse

When I volunteered to write this article, I was hopeful that I would be writing that we could all look forward to the new year with great expectations. There has been so much lost in 2020 that we can never get back. We have lost loved ones, lost touch, lost our ability to gather as a congregation of believers, hugging and loving each other. There are many other things the pandemic ravaged in our country. I will remember 2020 as the year I lost a good friend in Jack Harrison, the year Kaitlin lost her senior year in high school, and the year many people suffered worse than I, but that year is over. There are vaccinations on the way and hope for the future.

But as we look forward to 2021, I am reminded of an old Bill Cosby stand-up routine where he said, “Never Challenge Worse.” The moral of his bit was that you should never say “it can’t get worse” because “Worse” is always there waiting to pounce. As we look toward 2021, I submit that there are things we must be proud of in 2020 and if 2021 tells 2020 to “Watch This” or if things get “worse,” we will endure. Our Church survived 2020. It was not what we wanted it to be, but we are still standing, spiritually and financially. We welcomed a new pastor and his family. We managed to do many things online that we previously did together. Sunday School classes are now meeting in person again. We are worshiping together in person again. And we all know that our Lord and Savior is still with us. James 1:12 tells us, “Blessed is the one who perseveres under trial because, having stood the test, that person will receive the crown of life that the Lord has promised to those who love him.” That crown awaits us if we are steadfast in our faith, our love, and our support of our Church family. The Lord gives us the strength to endure what we are currently facing and what we will face in the future. If 2021 is “worse,” God will give us the strength to endure it. We will face 2021 and thrive in the future if we put our faith in God and work together as a Church family.

God Bless You,
Rae McInnis, for the EFUMC Finance Committee

EFUMC Children's Ministry

Congratulations! You made it! The new year has arrived and it is time to set your course! When you're building a house, the most important step isn't when you put on the roof or paint the walls or decorate. The most important steps are laying the foundation, installing the wiring, plumbing, and other important parts of the house that support everything else that is yet to come.

Ephesians 5:15-16 states, "So be careful how you live. Don't live like fools, but like those who are wise. Make the most of every opportunity in these evil days". January is the most common time when people feel as though they have a fresh new start, but it is important to review our year and set the course for the upcoming year. We all want different things in life, but I am sure we all want to become closer to Christ. We can read our Bibles more, come to church and improve our prayer lives. Becoming closer to Christ will make the goals we are to set much clearer. I would like to challenge each of you to forget about your past, focus on Christ and dream your biggest dreams. You can do anything through Christ!

You will make decisions this January that will be played out by next Christmas. You decide what principles you will live by and what road you will take. I pray that this new year blesses you and your family abundantly. Remember that you are amazing, wonderful and awesome! Live with the joy of the Lord in your hearts! I love you all!

On behalf of Family Life Center, I would like to say thank you to all the players, coaches, spectators, and volunteers for making the first ever season of "Primetime Volleyball" a success. I would also like to wish everyone a Happy New Year and may the Lord bless you throughout the course of 2021. Mark your calendars and be sure to register on the church website and sign up for "Primetime Basketball," which will begin in early February (Ages 16 & up). Feel free to contact the church office or email jkkelso@efumc.com for more details.

One of the most influential lessons I have learned throughout my 22 years on this earth is that the things of the world have a time clock. All things on earth have a start and a conclusion. The ending cannot be complete without a start nor can something conclude without a beginning. One of my personal favorite motivational speakers Eric Tomas once said, "Pain is temporary. It may last a minute, an hour, a day, or even a year, but eventually it will subside and something else will take its place. If I quit however, it will last forever." It shouldn't come to a surprise to anyone that 2020 was a difficult year. Lives were changed, chaos roamed the TV networks, and at times, it seemed as if things would never get better. On a personal note, 2020 impacted my life in a monster way. My baseball career came to an abrupt end due to Covid-19, you may have heard of this virus. But the greatest moment of 2020 arrived when I made the declaration to begin my journey into pastoral ministry.

As we begin the new year, let it be an inspiration to start the year strong. God throughout the old and new Testaments is known for leading his children as they begin their journey to fulfill the plans the Lord places upon them. God spoke to Abraham in Genesis 12:1-2, "Go from your country, your people and your father's household to the land I will show you. I will make you into a great nation, and I will bless you; I will make your name great, and you will be a blessing." I am a firm believer that having a great start will enhance the result of producing success and I also believe that God sets the tone for every single one of his children's spiritual journeys. One of the most popular New Years Resolutions people make is to either lose weight, to eliminate certain foods in their diet, or even to attend church more often. Most get off to a great start, but slowly stop climbing the mountaintop. I've always told myself whenever I start something new that the beginning is the easy part. The journey officially starts when we hit the crossroads of trying to maintain that same motivation 30, 60, or 90 days into the journey. It feels good and very motivating at the beginning, but how will you react when it becomes tough? Will you still be motivated? Will you continue to push yourself? Will you maintain your level of excellence? As we begin a new calendar year, let's make sure we get off to a good start. Let's continue to be motivated to our mission and thank God for all the blessings he has given us along the way. Start off 2021 strong and keep going!

Blessings and Peace, **JOHN**

Happy New Year and welcome back to Mom's Day Out and Stepping Stones Preschool! As we move into 2021 we look forward to getting back to our regular routines and helping your children learn and grow.

As the new year approaches we usually begin our list of New Year Resolutions. This year, it might be fun to take a different approach and start a memory jar with your family. Starting at the New Year, begin recording big moments, funny stories, accomplishments, and other special memories. As they happen throughout the year, write them on a slip of paper with your child and put them in the memory jar. Then, on New Year's Eve, you can read them all together as a family and look back at a year's worth of memories.

Why Is Quality Play So Important?

Play is essential to early learning; children need to be actively involved in their play in order to develop basic learning skills. Play is how young children learn about themselves and their world.

Quality Play: promotes close relationships, language, creativity, physical development, thinking skills, and social skills.

Quality Toys: can be used in many ways, engage the senses, allow children to use their imaginations, and let children make decisions about their play.

Some toys are very seductive for children and parents. Don't be fooled! Toy companies make you think that you need special toys to help your child learn – watch out for these types of toys:

- High tech toys and DVDs
- Flashy toys with lights and sound
- Toys and other items based on TV shows

A Few Reminders...

ENTERPRISE CELEBRATE RECOVERY

Celebrate Recovery Celebrates Christmas 2020

At Celebrate Recovery we are so blessed to celebrate the Good News of Christmas with our community and friends. The Good News of Christmas is our Salvation! God sent his son, Jesus, to **rescue** us from hopelessness and despair. We may be drowning in a sea of living up to others' expectations. We may be hurting deep inside from something that we did or something that was done to us a long time ago. We may be slowly perishing in our own bad habits or addictions. God knows when we are hurting, and God wants to rescue us if we are willing.

God sent his son, Jesus, to help us **recover** from this state of helplessness and hopelessness. God sent his son, Jesus, to show us by example the way to walk on this earth in the light of hope and joy. God sent other Christians to walk alongside us to listen, support, encourage, and be a good example.

God sent his son, Jesus, that we might **connect** with God through the story of Jesus' birth, his life, and his sacrificial death on the cross to take away our sins. God's love for us is immeasurable and he wants to have a relationship with us through his son, Jesus. He wants us to turn to him in all circumstances, good and bad. He is our comfort, our hope, our joy. Let us welcome the coming of Jesus this Christmas season. May we worship and adore our Lord and Savior.

God bless you all,
Jean Johnson, Assimilation Coach

Dear Church Family,

What can we say except "Thank You" from the bottom of our hearts for your words of love, prayers, phone calls, and gifts after the passing of my Mom, Janice Luttrell. You all have been so supportive and loving through the past few months after Daddy passed and now my Mom. We love and appreciate all of you and words cannot express our gratitude to you. Please know in your hearts how much we love you!

January STARS

Happy New Year STARS Nation!! Let's hope and pray that this coming year – 2021 – will be a great one for us, for our families, for our church, for our city, for our state, for our nation, and for the world.

The beginning of this year is frightening. The numbers of COVID-19 cases, hospitalizations, and deaths across the country are staggering. It could very well be the “Dark Winter” that so many have predicted. We must pray for our family, friends, and neighbors all across the country who are dealing with the virus and its effects. And, we must do our best to protect ourselves and our families from it.

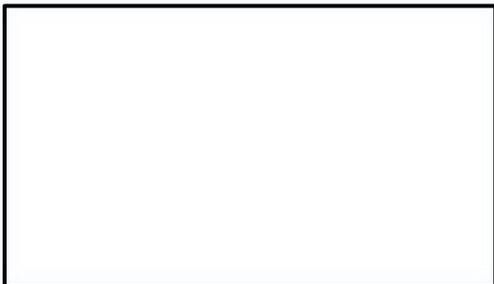

At the same time, though, the beginning of this year is encouraging. Two vaccines with very high efficacy rates have been approved and vaccinations have begun across the country. Our healthcare providers and others who deliver essential services were the first to be vaccinated, then others at his risk, but the vaccines should be available to more and more of us as the year progresses. As soon as it becomes available to you, please consider being vaccinated.

Having said that, it's not a question of if, but when our STARS Nation will return to as close to normal operation as possible. We'll have to take our cue from our church leaders as they respond to the local, state, and Federal guidelines and recommendations. As soon as those guidelines make it possible to resume our normal meetings on a monthly basis, we'll do so.

In the meantime, please continue to watch out for yourselves and your family. Yes, we do have the vaccines and vaccinations have begun, but you still need to wear your mask, keep your distance, avoid crowds, and wash your hands. Please keep in touch with one another and with others who are close to you. Please continue to participate in church worship services and other events, either in person or via our wonderful technology. And, don't forget to pray for one another and for our church.

For now, do your best to welcome in the New Year. When we welcomed 2020, we had no idea what the year had in store. The same is true for 2021. All we can do is hope and pray it will be better. Let's do that and make the most of it, no matter what comes.

-John Fergus, STARS Chair
